Opening

Hello and welcome

What is a rich life?

Nic has had a baby boy

Why can't I manifest my dream job?

Can I manifest money for someone else?

How can I be mortgage free?

How do you manifest what you want when life tears you apart?

When manifesting, do I have to take literal action or is positive thinking enough?

How can I shift out of sadness when there is so much sadness in the world?

What can I do to overcome my spouse's negativity?

How do I find financial freedom when I have to stop working?

What are the two books after Countdown to Riches?

How can I live my dream to live by the beach?

How can I manifest health but tell my doctors about my symptoms?

How to overcome anxiety when unexpected costs appear?

What did you visualize to manifest abundance when filming The Secret?

Can you guide me on manifesting successful IVF after three miscarriages?

How can I manifest travelling without the limitation of my passport?

Should I focus on manifesting what I want or stay in awareness?

Why did I manifest perfectly before I knew about The Secret but now I struggle?

What if my limited budget doesn't lead to my dream home?

How can we be happier when life contradicts that?

How can I manifest a rich life from the consciousness that I am?

How do I silence the negativity and noise to manifest a rich life?

Thank you and goodbye for now
