Detail instructions how to ...

give you a few tips regarding the ceiling height

attach the bookcase to the wall

put the cardboard on the floor

place two wooden plugs on each side

connect the side top or middle panel to the side panels

lock the screws

position the bottom panel

twist the lock to the right side

position the locks at the bottom

twist the locks to the right

secure the locks from the top

place the top panel

secure the connection

put the nails on the middle part

measure from corner to corner

secure the back panel with the nails

place all the nails for the middle panel

push it slightly out because the side panels are sticking out

place the plug once the shelf is holding on one side

place the plugs

drill it from one side to the other side

join the joining screws

join together on the top at the bottom place the churning screw

secure the bookcases to the wall
