

Ivan (Gideon's Riders, Book

Deaths in 2025

Norwegian jazz bassist. Shigetoshi Kotari, 28, Japanese boxer, brain injury. Ivan Krasko, 94, Russian actor (The Prince and the Pauper, A Beautiful Stranger - The following notable deaths occurred in 2025. Names are reported under the date of death, in alphabetical order. A typical entry reports information in the following sequence:

Name, age, country of citizenship at birth, subsequent nationality (if applicable), what subject was noted for, cause of death (if known), and a reference.

Deaths in January 2025

Jayamurugan, Indian film director (Raja Malare, Adada Enna Azhagu, Thee Ivan), heart attack. Bruce Kannemeyer, 60, South African politician and convicted

David McCallum

Man Comedy drama film adaption made by Walt Disney Productions Based on a book Rascal by Sterling North 1972 She Waits Mark Wilson Horror film Night of - David Keith McCallum (19 September 1933 – 25 September 2023) was a Scottish actor and musician, based in the United States. He gained wide recognition in the 1960s for playing secret agent Illya Kuryakin in the television series The Man from U.N.C.L.E (1964–1968).

His other notable television roles include Simon Carter in Colditz (1972–1974) and Steel in Sapphire & Steel (1979–1982). Beginning in 2003, McCallum gained renewed international popularity for his role as NCIS chief medical examiner Dr. Donald "Ducky" Mallard in the CBS television series NCIS, which he played for 20 seasons until his death in 2023. In film roles, McCallum notably appeared in The Great Escape (1963), and as Judas Iscariot in The Greatest Story Ever Told (1965).

Deaths in November 2024

Mohammed, 51, Ethiopian-born American soccer player (Long Island Rough Riders). Andy Paley, 72, American musician (The Paley Brothers, The Modern Lovers)

Culture of the United Kingdom

Volume II: A Century of Wonder. Book 3: The Scholarly Disciplines, Volume 2". p. 442. University of Chicago Press. Day, Ivan. "Wafer Making". Historic Food - The culture of the United Kingdom is influenced by its combined nations' history, its interaction with the cultures of Europe, the individual diverse cultures of England, Wales, Scotland and Northern Ireland, and the impact of the British Empire. The culture of the United Kingdom may also colloquially be referred to as British culture. Although British culture is a distinct entity, the individual cultures of England, Scotland, Wales and Northern Ireland are diverse. There have been varying degrees of overlap and distinctiveness between these four cultures.

British literature is particularly esteemed. The modern novel was developed in Britain, and playwrights, poets, and authors are among its most prominent cultural figures. Britain has also made notable contributions to theatre, music, cinema, art, architecture and television. The UK is also the home of the Church of England, Church of Scotland, Church in Wales, the state church and mother church of the Anglican Communion, the

third-largest Christian denomination. Britain contains some of the world's oldest universities, has made many contributions to philosophy, science, technology and medicine, and is the birthplace of many prominent scientists and inventions. The Industrial Revolution began in the UK and had a profound effect on socio-economic and cultural conditions around the world.

British culture has been influenced by historical and modern migration, the historical invasions of Great Britain, and the British Empire. As a result of the British Empire, significant British influence can be observed in the language, law, culture and institutions of its former colonies, most of which are members of the Commonwealth of Nations. A subset of these states form the Anglosphere, and are among Britain's closest allies. British colonies and dominions influenced British culture in turn, particularly British cuisine.

Sport is an important part of British culture, and numerous sports originated in their organised, modern form in the country including cricket, football, boxing, tennis and rugby. The UK has been described as a "cultural superpower", and London has been described as a world cultural capital. A global opinion poll for the BBC saw the UK ranked the third most positively viewed nation in the world (behind Germany and Canada) in 2013 and 2014.

Western Wall

Holiest City as Seen Through the Struggles of Jews, Christians, and Muslims. Ivan R. Dee, Publisher. ISBN 978-1-56663-062-7. Lee, James W. (1863). *Earthly - The Western Wall* (Hebrew: ?????????? ??????????????, romanized: HaKotel HaMa'aravi, lit. 'the western wall'; ; Ashkenazi Hebrew pronunciation: HaKosel HaMa'aravi) is an ancient retaining wall of the built-up hill known to Jews and Christians as the Temple Mount of Jerusalem. Its most famous section, known by the same name, often shortened by Jews to the Kotel or Kosel, is known in the West as the Wailing Wall, and in Arab world and Islamic world as the Buraq Wall (Arabic: ?????? ??????????, romanized: ??'i? al-Bur?q; [?'a??t? alb?'ra?q]). In a Jewish religious context, the term Western Wall and its variations is used in the narrow sense, for the section used for Jewish prayer; in its broader sense it refers to the entire 488-metre-long (1,601 ft) retaining wall on the western side of the Temple Mount.

At the prayer section, just over half the wall's total height, including its 17 courses located below street level, dates from the end of the Second Temple period, and is believed to have been begun by Herod the Great. The very large stone blocks of the lower courses are Herodian, the courses of medium-sized stones above them were added during the Umayyad period, while the small stones of the uppermost courses are of more recent date, especially from the Ottoman period.

The Western Wall plays an important role in Judaism due to it being part of the man-made "Temple Mount", an artificially expanded hilltop best known as the traditional site of the Jewish Temple. Because of the Temple Mount entry restrictions, the Wall is the holiest place where Jews are permitted to pray outside the Temple Mount platform, because the presumed site of the Holy of Holies, the most sacred site in the Jewish faith, presumably lies just above and behind it. The original, natural, and irregular-shaped Temple Mount was gradually extended to allow for an ever-larger Temple compound to be built at its top. The earliest source possibly mentioning this specific site as a place of Jewish worship is from the 10th century. The Western Wall, in the narrow sense, i.e. referring to the section used for Jewish prayer, is also known as the "Wailing Wall", in reference to the practice of Jews weeping at the site. During the period of Christian Roman rule over Jerusalem (ca. 324–638), Jews were completely barred from Jerusalem except on Tisha B'Av, the day of national mourning for the Temples. The term "Wailing Wall" has historically been used mainly by Christians, with use by Jews becoming marginal. Of the entire retaining wall, the section ritually used by Jews now faces a large plaza in the Jewish Quarter, near the southwestern corner of the Temple Mount, while the rest of the wall is concealed behind structures in the Muslim Quarter, with the small exception of an 8-

metre (26 ft) section, the so-called "Little Western Wall" or "Small Wailing Wall". This segment of the western retaining wall derives particular importance from having never been fully obscured by medieval buildings, and displaying much of the original Herodian stonework. In religious terms, the "Little Western Wall" is presumed to be even closer to the Holy of Holies and thus to the "presence of God" (Shechina), and the underground Warren's Gate, which has been out of reach for Jews from the 12th century till its partial excavation in the 20th century.

The entire Western Wall constitutes the western border of al-Haram al-Sharif ("the Noble Sanctuary"), or the Al-Aqsa compound. It is believed to be the site where the Islamic Prophet Muhammad tied his winged steed, the Bur^ʿq, on his Night Journey, which tradition connects to Jerusalem, before ascending to heaven. While the wall was considered an integral part of the Haram esh-Sharif and waqf property of the Moroccan Quarter under Muslim rule, a right of Jewish prayer and pilgrimage has long existed as part of the Status Quo regulations. This position was confirmed in a 1930 international commission during the British Mandate period.

With the rise of the Zionist movement in the early 20th century, the wall became a source of friction between the Jewish and Muslim communities, the latter being worried that the wall could be used to further Jewish claims to the Temple Mount and thus Jerusalem. During this period outbreaks of violence at the foot of the wall became commonplace, with a particularly deadly riot in 1929 in which 133 Jews and 116 Arabs were killed, with many more people injured. After the 1948 Arab–Israeli War the eastern portion of Jerusalem was occupied by Jordan. Under Jordanian control Jews were completely expelled from the Old City including the Jewish Quarter, and Jews were barred from entering the Old City for 19 years, effectively banning Jewish prayer at the site of the Western Wall. This period ended on June 10, 1967, when Israel gained control of the site following the Six-Day War. Three days after establishing control over the Western Wall site, the Moroccan Quarter was bulldozed by Israeli authorities to create space for what is now the Western Wall plaza.

Jeff Lemire

ISBN 9781534318670) Gideon Falls Deluxe Edition, Book One #1–16 (hc, 432 pages, 2021, ISBN 9781534319189) Gideon Falls Deluxe Edition, Book Two #17–27 (hc - Jeff Lemire (; born March 21, 1976) is a Canadian comic book writer, artist, cartoonist, and television producer. He is the author of critically acclaimed titles including the Essex County Trilogy, Sweet Tooth, and The Nobody. His written work includes All-New Hawkeye, Extraordinary X-Men, Moon Knight and Old Man Logan for Marvel; Superboy, Animal Man, Justice League Dark, and Green Arrow for DC; Black Hammer and Mazebook for Dark Horse; Descender and Gideon Falls for Image Comics; and Bloodshot Reborn for Valiant.

In 2021, Sweet Tooth was adapted as a Netflix television series through Susan and Robert Downey Jr.'s production company Team Downey, with Lemire serving as an on-set consultant.

Lemire has also collaborated with musicians such as Eddie Vedder on his Matter of Time animated video and Gord Downie on Secret Path, a multimedia storytelling project.

List of Brown University alumni

opinion columnist, The New York Times; author of The Uninhabitable Earth Ivan Watson (A.B. 1997) – senior international correspondent, CNN Emily Witt (A - The following is a partial list of notable Brown University alumni, known as Brunonians. It includes alumni of Brown University and Pembroke College, Brown's former women's college. "Class of" is used to denote the graduation class of individuals who

attended Brown, but did not or have not graduated. When solely the graduation year is noted, it is because it has not yet been determined which degree the individual earned.

Gravity Falls

graphic novel Gravity Falls: Lost Legends and the 2024 teen-oriented novel The Book of Bill. Gravity Falls received critical acclaim for its writing, characters - Gravity Falls is an American animated mystery comedy television series created by Alex Hirsch for Disney Channel and Disney XD. The series follows the adventures of Dipper Pines (Jason Ritter) and his twin sister Mabel (Kristen Schaal), who are sent to spend the summer with their great-uncle (or "Grunkle") Stan (Hirsch) in Gravity Falls, Oregon, a mysterious town rife with paranormal incidents and supernatural creatures. The kids help Stan run the "Mystery Shack", the tourist trap that he owns, while also investigating the local mysteries.

The series premiered on June 15, 2012, and ran until February 15, 2016. On November 20, 2015, Hirsch announced that the series would conclude with its second season, stating that this was "100% [his] choice" and that "the show isn't being cancelled – it's being finished" and was reaching its intended conclusion. The series ended on February 15, 2016, with a one-hour finale, "Weirdmageddon 3: Take Back the Falls". Hirsch later stated that he remains open to continuing the series with additional episodes or specials, with the story continued in written form with the 2016 replica of Journal 3, the 2018 graphic novel Gravity Falls: Lost Legends and the 2024 teen-oriented novel The Book of Bill.

Gravity Falls received critical acclaim for its writing, characters, voice acting, animation, and humor. Additionally, the series won two Emmy Awards, three Annie Awards, and a BAFTA Children's Award, among various other wins and nominations. Gravity Falls garnered high viewership amongst children, teenagers, and young adults during its run and was Disney XD's highest rated show in 2015 and early 2016, while also setting several ratings records for the network. The series has attracted a broad and passionate fandom, is considered to be an influence for many animated shows that followed it, and spawned a variety of official merchandise.

List of Columbia College people

polyglot and professor at the American University in the Emirates; son of poet Ivan Argüelles Tobias Hecht (1986), American anthropologist, ethnographer, and - The following list contains only notable graduates and former students of Columbia College, the undergraduate liberal arts division of Columbia University, and its predecessor, from 1754 to 1776, King's College. For a full list of individuals associated with the university as a whole, see the List of Columbia University people. An asterisk (*) indicates a former student who did not graduate.
