

Who Were The Brothers Grimm

Brothers Grimm

The Brothers Grimm (German: die Brüder Grimm or die Gebrüder Grimm), Jacob (1785–1863) and Wilhelm (1786–1859), were German academics who together collected - The Brothers Grimm (German: die Brüder Grimm or die Gebrüder Grimm), Jacob (1785–1863) and Wilhelm (1786–1859), were German academics who together collected and published folklore. The brothers are among the best-known storytellers of folktales, popularizing stories such as "Cinderella" ("Aschenputtel"), "The Frog Prince" ("Der Froschkönig"), "Hansel and Gretel" ("Hänsel und Gretel"), "Town Musicians of Bremen" ("Die Bremer Stadtmusikanten"), "Little Red Riding Hood" ("Rotkäppchen"), "Rapunzel", "Rumpelstiltskin" ("Rumpelstilzchen"), "Sleeping Beauty" ("Dornröschen"), and "Snow White" ("Schneewittchen"). Their first collection of folktales, *Children's and Household Tales* (Kinder- und Hausmärchen), was first published in 1812.

The Brothers Grimm spent their formative years in the town of Hanau in the Landgraviate of Hesse-Kassel. Their father's death in 1796 (when Jacob was 11 and Wilhelm 10) caused great poverty for the family and greatly affected the brothers throughout their lives. Both brothers attended the University of Marburg, where they developed a curiosity about German folklore, which grew into a lifelong dedication to collecting German folktales.

The rise of Romanticism in 19th-century Europe revived interest in traditional folk stories, which to the Brothers Grimm represented a pure form of national literature and culture. With the goal of researching a scholarly treatise on folktales, they established a methodology for collecting and recording folk stories that became the basis for folklore studies. Between 1812 and 1857 their first collection was revised and republished many times, growing from 86 stories to more than 200. In addition to writing and modifying folktales, the brothers wrote collections of well-respected Germanic and Scandinavian mythologies, and in 1838 they began writing a definitive German dictionary (*Deutsches Wörterbuch*), which they were unable to finish.

The popularity of the Grimms' collected folktales has endured. They are available in more than 100 translations and have been adapted by renowned filmmakers, including Lotte Reiniger and Walt Disney, in films such as *Snow White and the Seven Dwarfs*. In the mid-20th century, Nazi Germany weaponized the tales for propaganda; later in the 20th century, psychologists such as Bruno Bettelheim reaffirmed the work's value despite the sexuality, cruelty, and violence in some of the tales' original versions, which were eventually censored by the Grimms themselves.

The Brothers Grimm (film)

The Brothers Grimm is a 2005 American fantasy adventure film directed by Terry Gilliam. The film stars Matt Damon, Heath Ledger and Lena Headey in a heavily fictional reimagining of the Brothers Grimm as traveling con artists in Napoleonic French-occupied Germany, during the early 19th century. The brothers eventually encounter a genuine fairy tale curse which requires courage instead of their usual bogus exorcisms. Supporting characters are played by Peter Stormare, Jonathan Pryce and Monica Bellucci.

In February 2001, Ehren Kruger sold his spec script to Metro-Goldwyn-Mayer (MGM). With Gilliam's hiring as director, the script was rewritten by Gilliam and Tony Grisoni but the Writers Guild of America refused to

credit them for their work. MGM eventually dropped out as distributor but decided to co-finance The Brothers Grimm with Dimension Films and Summit Entertainment, while Dimension took over distribution duties.

The film was shot in the Czech Republic. Gilliam often had feuds with brothers Bob and Harvey Weinstein, which caused the original theatrical release date to be delayed nearly ten months. The Brothers Grimm was finally released on 26 August 2005 with mixed reviews and grossed \$105.3 million at the worldwide box office.

Jacob Grimm

Fairy Tales. He was the older brother of Wilhelm Grimm; together, they were the literary duo known as the Brothers Grimm. Jacob Grimm was born 4 January - Jacob Ludwig Karl Grimm (4 January 1785 – 20 September 1863), also known as Ludwig Karl, was a German author, linguist, philologist, jurist, and folklorist. He formulated Grimm's law of linguistics, and was the co-author of the Deutsches Wörterbuch, the author of Deutsche Mythologie, and the editor of Grimms' Fairy Tales. He was the older brother of Wilhelm Grimm; together, they were the literary duo known as the Brothers Grimm.
